Bayu Undan Infill Wells Project – Marine Warranty Survey Services

ConocoPhillips (03-12) Pty Ltd is the operator of the Bayu-Undan Facility, which is located within the Timor Sea Joint Petroleum Development Area.

Pursuant to clause 10.1 of the Production Sharing Contract, ConocoPhillips is seeking expressions of interest from Companies capable of providing the referenced services to the Oil and Gas Industry who are a duly incorporated entity under the laws of República Democrática de Timor-Lesté or Australia and who meet all of the following requirements:

Services:

- Supply of Marine Warranty Survey (MWS) services to support the Bayu Undan Infill Wells Project:
 - MWS services comprises engineering documentation review, inspection and surveillance services in support of marine transportation and installation activities.
 - MWS services are required to ensure all marine operations are conducted in a safe manner, fully compliant with Company and industry maritime standards and legislation and which satisfy the Construction-All-Risks (CAR) Insurance policy requirements.
 - MWS inspection and surveillance services will be required to be executed in nominated locations worldwide, both onshore (attendance at meetings, ports and quaysides) and offshore.

Minimum Requirements:

- Previous and proven experience in the supply of MWS services including:
 - Provision of competent and experienced surveyors to conduct inspections and surveys of marine vessels (including barges, tugs, crane barges and installation vessels) and marine activities including condition and suitability survey, on / off hire surveys, witness of loading operations, mobilisation and sail-away survey and witnessing of marine based installation operations.

- Perform independent engineering analysis to support review and approval of design and procedures for marine activities including heavy lift operations, sea-fastening and installation activities. Services include witness and inspection of activities to verify execution in accordance with approved design and procedures.
- The documenting of evidence of inspections and surveys by means of documentation review comments, inspection reports and Issuance of Certificates of Approval.

Companies who meet all of the above minimum requirements are invited to submit their written expression of interest by email or hand delivery no later than **1st of March 2017** for the attention of Reinalda Pires, Purchasing Officer.
