Bayu-Undan Topside Pipeline Isolation

ConocoPhillips (03-12) Pty Ltd (ConocoPhillips) is the operator of the Bayu-Undan Facility, which is located within the Timor Sea Joint Petroleum Development Area.

Pursuant to clause 10.1 of the Production Sharing Contract, ConocoPhillips is seeking expressions of interest from companies capable of providing the referenced goods or services to the oil and gas industry, who are a duly incorporated entity under the laws of República Democrática de Timor-Leste or Australia, and who meet all of the following requirements:

Description of Goods / Services: Topside Pipeline Isolation

Minimum Requirements:

- Experience in the provision of an industry proven double barrier inline high pressure isolation tool for pipeline isolation services,
- Track record of project management of such services, including all required project management, engineering, and manufacturing elements.
- Experienced, trained, and certified onshore and offshore technical service personnel.

Companies who meet all of the above minimum requirements are invited to submit their written expression of interest by email or hand delivery no later than **[LAST DATE of ADVERT PLUS 1 WEEK]** for the attention of Reinalda Pires, Purchasing Officer.

Email address: BayuUndanEOI@ConocoPhillips.com

Office address: ConocoPhillips Timor-Leste Pty Ltd, Unit 401, Level 4 -CBD 3, Dili Central Comoro/Timor Plaza Building, Dili, Dili, Timor-Leste

The Timor Sea Treaty between the Government of Timor-Leste and Australia and the Production Sharing Contracts requires that in providing these goods/services, all interested companies shall:

- (i) give preference, to goods and services which are produced in or provided by companies operating out of Australia or Timor-Leste, provided they are offered on competitive terms and conditions compared with those available from other countries.
- (ii) give preference to the employment of Timor-Leste nationals and permanent residents, having due regard to safe and efficient activities and good oilfield practice.
