## NEWS RELEASE

March 31, 2014

### ConocoPhillips to Hold Analyst Meeting on April 10, 2014

HOUSTON – ConocoPhillips (NYSE: COP) will hold its 2014 Analyst Meeting on Thursday, April 10, 2014 at 9:00 a.m. EDT in New York City. The meeting will feature presentations by ConocoPhillips executives, including Chairman and Chief Executive Officer Ryan Lance.

The meeting will include an overview of the company's business strategy, updates on key programs and projects, and plans to continue delivering production and margin growth.

A live webcast of the meeting will be made available on the ConocoPhillips Investors site, [www.conocophillips.com/investor](http://www.conocophillips.com/investor). The event will be archived and available for replay later that day. The presentation, along with a transcript, will also be available on the Investors site.

### **CAUTIONARY STATEMENT FOR THE PURPOSES OF THE "SAFE HARBOR" PROVISIONS OF THE PRIVATE SECURITIES LITIGATION REFORM ACT OF 1995**

*This news release contains forward-looking statements. Forward-looking statements relate to future events and anticipated results of operations, business strategies, and other aspects of our operations or operating results. In many cases you can identify forward-looking statements by terminology such as "anticipate," "estimate," "believe," "continue," "could," "intend," "may," "plan," "potential," "predict," "should," "will," "expect," "objective," "projection," "forecast," "goal," "guidance," "outlook," "effort," "target" and other similar words. However, the absence of these words does not mean that the statements are not forward-looking. Where, in any forward-looking statement, the company expresses an expectation or belief as to future results, such expectation or belief is expressed in good faith and believed to have a reasonable basis. However, there can be no assurance that such expectation or belief will result or be achieved. The actual results of operations can and will be affected by a variety of risks and other matters including, but not limited to, changes in commodity prices; changes in expected levels of oil and gas reserves or production; operating hazards, drilling risks, unsuccessful exploratory activities; difficulties in developing new products and manufacturing processes; unexpected cost increases; international monetary conditions;*

*ConocoPhillips To Host Analyst Meeting on April 10, 2014*

*potential liability for remedial actions under existing or future environmental regulations; potential liability resulting from pending or future litigation; limited access to capital or significantly higher cost of capital related to illiquidity or uncertainty in the domestic or international financial markets; and general domestic and international economic and political conditions; as well as changes in tax, environmental and other laws applicable to our business. Other factors that could cause actual results to differ materially from those described in the forward-looking statements include other economic, business, competitive and/or regulatory factors affecting our business generally as set forth in our filings with the Securities and Exchange Commission. Unless legally required, ConocoPhillips undertakes no obligation to update publicly any forward-looking statements, whether as a result of new information, future events or otherwise.*
