BAYU-UNDAN PROCUREMENT – QUARTERLY ADVERTISEMENT Q4 2017

ConocoPhillips is the operator of the Bayu-Undan Facility, which is located within the Timor Sea Joint Petroleum Development Area.

During Q4 2017, ConocoPhillips may procure or commence assessment of potential contractors for the categories of goods and services detailed below.

Pursuant to clause 10.1 of the Production Sharing Contract, ConocoPhillips is seeking expressions of interest from Companies capable of providing any of the goods and services detailed below to the Oil and Gas Industry, who are a duly incorporated entity under the laws of República Democrática de Timor-Leste or Australia.

Ongoing Requirements

The following Goods are purchased regularly by ConocoPhillips for its ongoing operations*:

- Heavy duty industrial electrical supplies
- Electrical consumables, bulks and cables
- General Hardware and Consumables
- Personal Protective Equipment
- Lubricants

Bayu-Undan Infill Wells Project

The following Goods are required for the Bayu-Undan Infill Wells Project*. The process of sourcing suitably qualified suppliers for these Goods commenced in early 2017. Goods must comply with the specifications stated below.

- Gaskets (metallic for raised face flanges & flanged connections – API 601) and studbolts (alloy steel & stainless steel bolting material for high & low temperature service – ASTM A194 & A320)
- Galperti Hub connectors, Seal rings, Clamp sets (forged or rolled alloy & duplex stainless steel pipe flanges, forge fittings, & materials for high temperature service – ASTM A182)
- Valves (non-engineered) – ISO 13623 (API 6D);
- Monoflange valves (non-engineered) API/DIN standard
- Piping materials (carbon steel & duplex stainless steel):
 - Welded & seamless wrought steel pipe (ASME B36.10 & B36.19)
 - Wrought buttwelding fittings (ASME B16.9)

- Pipe flanges & flanged fittings (ASME B16.5)
- Structural steel – AS3678 Gr350 L15 or equivalent material, plate & rolled sections, ranging in thicknesses from 6 to 50mm.
- Construction and Commissioning consumables for offshore Oil & Gas facility construction

* Note: If you have previously submitted a Supplier Registration Form for any of the above goods, you do not need to register your interest again, as we will already have your details in our Supplier Register.

RESPONSES

Companies who meet the stated requirements above and have a proven track record of providing services and supply of materials to the standards required by the Oil and Gas Industry are invited to submit their expression of interest by email or hand delivery to ConocoPhillips for the attention of Reinalda Pires, Purchasing Officer, no later than **[LAST DATE of ADVERT PLUS 1 WEEK]**. Please quote reference number 2017-BU-EOI-110 on all correspondence.
