ConocoPhillips Commits RMB 1.5 Million to Support Sichuan Earthquake Recovery Efforts

April 25, 2013

BEIJING - ConocoPhillips China has committed RMB 1.5 million to support recovery efforts following the earthquake that struck Ya'an in Sichuan Province on Saturday April 20, 2013. The Company intends to donate the money to relevant qualified organizations, in coordination with the Sichuan Department of Commerce, to reach and support impacted communities in Sichuan.

ConocoPhillips China is also calling for employee donations and will match the amounts donated by the ConocoPhillips China staff, to support the communities in Sichuan.

ConocoPhillips continues to liaise closely with contacts in the Sichuan area to explore further ways we can help those families and communities that have been impacted by this disaster.
