Bayu-Undan Infill Wells Project – Provision of Surface Xmas Trees and Wellhead Systems

ConocoPhillips is the operator of the Bayu-Undan Facility, which is located within the Timor Sea Joint Petroleum Development Area.

Pursuant to clause 10.1 of the Production Sharing Contract, ConocoPhillips is seeking expressions of interest from Companies capable of providing the below referenced equipment and services to the Oil and Gas Industry who are a duly incorporated entity under the laws of República Democrática de Timor-Lesté or Australia and who meet all of the following requirements:

**Supply and Service Requirements**

- *Supply and installation of 18.3/4" surface Xmas Trees and Wellhead systems, including provision of onshore and offshore engineering personnel, running / installation tools and equipment packages, accessories and spares.*
- *Onshore and offshore testing and inspection / certification facilities and capabilities.*
- *Extensive offshore production platform experience and strong capability to work in an integrated offshore service environment.*

The site of the works will be located in offshore permit block/s located approximately 250km south-east of Suai in the Joint Petroleum Development Area (JPDA) of the Timor Sea.

Companies who meet all of the above minimum requirements are invited to submit their written expression of interest by email or hand delivery no later **13 October 2016** for the attention of Reinalda Pires, Purchasing Officer.

Email address: BayuUndanEOI@ConocoPhillips.com

Office address: ConocoPhillips Timor-Lesté Pty Ltd, Rua Bairro Gomes No 40, Bidau Lecidere, Dili, Timor-Lesté.

"The Timor Sea Treaty between the Government of Timor-Lesté and Australia and the Production Sharing Contracts require that in providing these goods/services, all interested companies shall give preference to the employment of Timor-Lesté nationals and permanent residents, having due regard to safe and efficient activities and good oilfield practice."
