PROVISION OF HELICOPTER SUPPORT SERVICES FOR BAYU-UNDAN OPERATIONS

ConocoPhillips is the operator of the Bayu-Undan Facility, which is located within the Timor Sea Joint Petroleum Development Area.

Pursuant to clause 10.1 of the Production Sharing Contract, ConocoPhillips is seeking expressions of interest from companies capable of providing the below listed services to the Oil and Gas Industry who are a duly incorporated entity under the laws of República Democrática de Timor-Lesté or Australia:

- Helicopter Support Services for Bayu-Undan operations

ConocoPhillips will require companies interested in providing the above services to be approved for use by ConocoPhillips Global Aviation Group prior to being invited to tender. In addition, companies interested in responding to this Expression of Interest must meet all of the following requirements:

Minimum Requirements

- Must have experience in the operation of medium and heavy weight Sikorsky and Airbus helicopters in Timor-Lesté or Australia
- Must be able to provide the above services utilising the following airframes: Sikorsky S92 and / or Airbus H175. ConocoPhillips will limit the scope of its invitation to tender to only these airframes
- Must be able to operate in both Timor-Lesté and Australia

Companies who meet all of the above minimum requirements are invited to submit their written expression of interest by email or hand delivery no later than **24 August 2016** for the attention of Reinalda Pires, Purchasing Officer.
