Fit For Purpose Logistic Support Solution in Dili, Timor-Leste`

ConocoPhillips is the operator of the Bayu-Undan Facility, which is located within the Timor Sea Joint Petroleum Development Area.

Pursuant to clause 10.1 of the Production Sharing Contract, ConocoPhillips is seeking expressions of interest from Companies capable of providing the below listed services to the Oil and Gas Industry who are a duly incorporated entity under the laws of República Democrática de Timor-Lesté or Australia and who meet all of the following requirements:

Minimum Infrastructure Requirements

- Provide a secure, fit for purpose warehouse with a minimum internal storage area of 50m² including office space. External lay down area will also be required. Both the internal warehouse area and external lay down area must have the capacity to be extended in the future as required. The basic physical requirements must have the capability to incorporate, or attain the following inclusions, as a minimum. If these are not currently in place, detail must be provided as to how this will be achieved:
 - Secure perimeter fencing
 - Controlled access including boom gates and swipe cards for office area
 - CCTV system for the facility
 - Fit for purpose lighting to all areas to enable twenty-four hour operations
 - Must be able to provide uninterrupted IT and internet service
- The warehouse will be used in support of the Bayu-Undan offshore facility. The warehouse must be located within close proximity to the Dili city centre, Dili Port and Presidente Nicolau Lobata International Airport within a maximum radius of 5 kilometres. Local movement of materials and equipment may also be required,

Additionally, provide any detail of capacity to provide the following, to support the warehouse facility operations. This may be considered if required, but does not limit the consideration or validity of the warehouse scope submission:

- Provide personnel experienced in warehousing and logistics operations, to efficiently execute the scope of works required to run a functioning warehouse facility. The provision of equipment used in materials handling will form part of the scope.

Note: The labour and equipment requirements are not a separate parcel of work. Expressions of Interest are requested only from Companies which are capable of providing the warehouse scope with or without associated labour and equipment.

Companies who meet all of the above minimum requirements are invited to submit their written expression of interest by email or hand delivery no later than **16 March 2016** for the attention of Reinalda Pires, Purchasing Officer.
