**Marine Surveying & Structural Integrity Services**

ConocoPhillips is the operator of the Bayu-Undan Facility, which is located within the Timor Sea Joint Petroleum Development Area.

Pursuant to clause 10.1 of the Production Sharing Contract, ConocoPhillips is seeking expressions of interest from Companies capable of providing the below listed services to the Oil and Gas Industry who are a duly incorporated entity under the laws of República Democrática de Timor-Lesté or Australia and who meet all of the following requirements:

**Minimum Requirements**

- Proven experience in provision of Marine Surveying Services and designated subcontracted inspection services to carry out inspections of the FSO Liberdade including tanks, cofferdams, hold spaces, decks, hull and appurtenances as instructed by ConocoPhillips. This includes compliance with the FSO (Floating, Storage and Offload) vessel Liberdade risk based inspection(RBI) Framework programme to provide Integrity Management services including:
  - Technical expertise on integrity issues associated with such inspections
  - Qualified personnel (including inspection equipment) to perform the inspections
  - Detailed reporting of discrepancies, anomalies, defects or shortfalls including videos and/or still photographs, dimensioned sketches as soon as possible after discovery
  - Review of inspection results use of these as inputs to optimise inspection methodology and plans using RBI approach
- Proven experience in modelling, developing and supporting inspection methodologies and inspection plans, such as BV Veristar, (under ConocoPhillips instruction) for various Structural Integrity Management services for existing fixed structures (topsides and subsea jackets) and floating & production structures including use of inspection data to:
  - determine and optimise inspection frequencies and techniques using RBI approach
  - develop inspection workpacks
  - determine remaining life
- Provide ongoing structural engineering, technical & administrative support with specialist software e.g. BV Veristar and reporting services.

Companies who meet all of the above minimum requirements are invited to submit their written expression of interest by email or hand delivery no later than **06 April 2016** for the attention of Reinalda Pires, Purchasing Officer.

Email address: BayuUndanEOI@ConocoPhillips.com

Office address: ConocoPhillips Timor-Lesté Pty Ltd, Rua Bairro Gomes No 40, Bidau Lecidere, Dili, Timor-Lesté.

"The Timor Sea Treaty between the Government of Timor-Lesté and Australia and the Production Sharing Contracts require that in providing these goods/services, all interested companies shall give preference to the employment of Timor-Lesté nationals and permanent residents, having due regard to safe and efficient activities and good oilfield practice."
