35.8.2 The indemnities, exclusions or limitations on liability contained in the Contract (except the indemnity contained in clause 35.5) shall not apply for the benefit of the Buyer to the extent any Claim is attributable to the Wilful Misconduct of the Buyer.

35.8.3 The indemnities contained in the Contract shall not include an obligation to pay awards or assessments of punitive or exemplary damages rendered against the Indemnified Party.

35.9 Application of Indemnities, Exclusions and Limitations of Liability

35.9.1 Save as expressly provided otherwise, in all other cases indemnities given by one Party to the other and exclusions or limitations on liability contained in the Contract shall apply regardless of the claimant and irrespective of cause and regardless of any negligence (sole, joint, concurrent or contributory), breach of duty (statutory or otherwise), strict liability or other fault of the indemnified party and include all damage, loss, cost, charge or expense including legal costs in accordance with any written agreement as to legal costs or, if no agreement, on whichever is the higher of a full indemnity basis or solicitor and own client basis and including any costs incurred in enforcement of the indemnity.

35.9.2 For all purposes including Section 11 of the Property Law Act 1969 (WA):

(a) the Seller intends to confer a benefit on each member of the Buyer Group in each indemnity, exclusion or limitation on liability given by the Seller in favour of the Buyer Group in the Contract and the Buyer holds the benefit of each of those indemnities, exclusions or limitations on liability on trust for the benefit of each member of the Buyer Group; and

(b) the Buyer intends to confer a benefit on each member of the Seller Group in each indemnity, exclusion or limitation on liability given by the Buyer in favour of the Seller Group in the Contract and the Seller holds the benefit of each of those indemnities, exclusions or limitations on liability on trust for the benefit of each member of the Seller Group.

35.10 Conduct of Claims

35.10.1 Where a party (“Indemnified Party”) has the benefit of an indemnity under the Contract, the Indemnified Party must give written notice to the party giving the indemnity (“Indemnifying Party”) of the nature and, to the extent reasonably known at the time, quantum of the claim as soon as reasonably practicable after the commencement of the circumstances giving rise to the Claim.

35.10.2 The Indemnified Party must provide reasonable information and documentation relating to such Claim to the Indemnifying Party on a continuing basis.

35.10.3 Upon service of a notice by the Indemnified Party, the Indemnifying Party must defend any Claim on behalf of the Indemnified Party and the Indemnified Party must, at the Indemnifying Party’s cost, do all things necessary to assist the Indemnifying Party to defend, settle, or mitigate such Claim.

35.10.4 Except where the Claim or the quantum of the Claim is the subject of a bona fide dispute, the Indemnifying Party must pay the Indemnified Party in respect of the Claim within 30 days of a demand for payment of the Claim.

35.10.5 Where a Claim is disputed, the Indemnifying Party must pay to the Indemnified Party the undisputed amount within 30 days of a demand for payment of the Claim and the remainder within 30 days of the resolution of the dispute.

35.10.6 The Indemnified Party must do all things reasonably necessary to mitigate any Claim.

35.11 Seller Group Claims

35.11.1 The Seller must inform each member of the Seller Group of the indemnities under the Contract and ensure that each member of the Seller Group does not Claim against any member of the Buyer Group where the Seller has indemnified the Buyer Group against that Claim.

35.12 Enforceability of Provisions

35.12.1 The indemnities in the Contract are given to the extent permitted by law, and to the extent that an indemnity is void, unenforceable or not permitted under law then the relevant indemnity shall remain in force in accordance with clause 34.8.
35.12.2 If any provision of an indemnity in this clause 35.0 in favour of a Party is determined to be void or unenforceable to any extent, in whole or in part, the similar provision in favour of the other Party shall be rendered void or unenforceable or shall be adjusted to the same extent where the same circumstances apply.

35.13 Associated Activities

35.13.1 The Parties agree that the provisions of this clause 35.0 apply to any Associated Activities as though such activities formed part of the Works, irrespective of the location of the Associated Activity or whether the Associated Activity is controlled or provided by a Party or a third party.

36.0 INSURANCE

36.1 Insurance Requirements

36.1.1 The Seller agrees to maintain insurance of the types and with limits of liability not less than those set out below at its expense during the term of the Contract from insurers reasonably acceptable to the Buyer covering items, risks and operations required to fulfill the Contract:

(a) Insurance that the Seller is obliged by law to carry that covers all of the Seller’s personnel performing work under the Contract including coverage under applicable maritime law.

(b) Employer’s Liability Insurance, including coverage for marine operations if applicable, with a limit of U.S.D 1,000,000 (or the equivalent in the Contract Currency) any one occurrence or the Requirement, whichever is greater.

(c) Commercial General Liability Insurance, including contractual liability coverage, with a limit of U.S.D 1,000,000 (or the equivalent in the Contract Currency) any one occurrence. Such insurance must include sudden and accidental pollution liability coverage.

(d) Automobile Liability Insurance with a combined bodily injury and property damage limit of U.S.D 1,000,000 (or the equivalent in the Contract Currency) any one occurrence or the Requirement, whichever is greater, for all owned and leased vehicles.

(e) If aircraft are used in connection with the Contract, Aircraft Liability Insurance, including Passenger Liability insurance with a combined single limit for bodily injury and property damage of U.S.D 10,000,000 (or the equivalent in the Contract Currency) any one occurrence and a limit of U.S.D 3,000,000 (or the equivalent in the Contract Currency) any one passenger.

(f) If marine vessels are used in connection with the Contract, Protection and Indemnity insurance equal to the “agreed” value of each vessel or U.S.D 10,000,000 (or the equivalent in the Contract Currency) any one occurrence, whichever is greater. This insurance (when required) must include coverage for the crew. If such insurance contains an “as owner” clause or other language purporting to limit coverage to liability of an insured “as owner of the vessel,” such limitation of coverage must not apply to the Buyer Group in their capacities as additional insureds or protective co-assureds under the policy.

(g) If marine vessels are used in connection with the Contract, Hull and Machinery Insurance in an amount equal to the “agreed” value of each vessel.

(h) Such other insurance in the types and amounts required by Requirements.

36.2 Marine Insurance

36.2.1 The policies under clauses 36.1.1(f) and 36.1.1(g) above shall, separately or in combination, include coverage for collision liability, removal of debris of any vessel or property whether compulsory or voluntary, contractual liability, towing liability and admiralty benefits in an amount not less than U.S.D 10,000,000 (or the equivalent in the Contract Currency) any one occurrence or the “agreed” value of the vessel, whichever is greater, and have appropriate navigational limits.

36.3 Primary Insurance

36.3.1 All insurance required above shall be primary to any insurance coverage available to the Buyer and each of its Affiliates and Coventurers. The above-stated minimum requirements are not intended to indicate the amounts and types of insurance that the Seller needs or may ultimately need.
36.4 Waiver of Subrogation and Additional Insured

36.4.1 The policies under clauses 36.1.1(c) through 36.1.1(h) above must be endorsed to show the Buyer and each of its Affiliates, Coventurers and any disclosed principal on whose behalf the Buyer is entering into this Contract as agent as additional insureds.

36.4.2 All insurance policies obtained by the Seller Group under the Contract must contain a waiver of subrogation in favour of the Buyer Group to the extent of the liabilities assumed by the Seller under the Contract. The policies provided for under this clause 36.4 must contain a provision that any breach by the Seller Group of any warranty, covenant, or representation in any of the policies shall not prejudice any claim by the additional insureds.

36.5 Certificates of Insurance and Policies

36.5.1 Upon the Buyer’s request, the Seller must furnish to the Buyer certificates of insurance demonstrating that the Seller Group has obtained the insurance coverage set out above and containing a statement that the said insurance will not be materially changed or cancelled without at least 30 days prior written notice to the Buyer. All coverages must be written on forms reasonably acceptable to the Buyer. Neither review nor failure to review such certificates shall constitute approval thereto or be deemed to waive or diminish the Buyer’s rights under the Contract. In the event of an accident or loss potentially resulting in an insurance claim by the Buyer in its capacity as an additional insured, the Seller, at the Buyer’s request, must provide the Buyer with certified copies of its insurance policies for which the Buyer is shown as an additional insured or otherwise make the policy information available as reasonably required by the Buyer. This obligation shall survive the termination of the Contract.

36.6 Failure to Comply

36.6.1 Neither failure to comply nor full compliance with the insurance provisions of the Contract shall limit or relieve the Seller from its liability and/or indemnity obligations in the Contract. If the Seller fails or refuses to comply with the obligations prescribed in this clause 36.0, the Buyer, without prejudice to any other rights or remedies available to it under the Contract or at law, may (a) treat the Contract as having been repudiated by the Seller or (b) procure the required insurances and deduct the cost thereof from any amounts due hereunder or otherwise recover such amounts from the Seller.

36.6.2 The Seller represents and warrants to the Buyer that it has fully disclosed its indemnity and insurance obligations under the Contract to its insurers prior to entering into the Contract.

36.7 Subcontracting

36.7.1 The Seller must ensure that each subcontractor shall maintain insurance which is required under any applicable laws or regulations, together with such other insurances of types and amounts necessary to cover risks inherent in the work of that subcontractor, as well as any other insurance that the Seller may deem necessary.

37.0 SERVICES

37.1 All Services must be performed in a proper and workmanlike manner and with Diligence.

37.2 The Seller must supply all labour, tools, equipment and materials necessary to complete the Services.
