

POLAR TANKERS INC.

Quality Policy

Our Commitment...

To be the first choice of our customers in the Marine industry and to uphold the PTI standards as a respected symbol of Quality. PTI is committed to establishing and implementing, both in our offices and on our vessels, a Quality management system that is maintained, continually satisfies the requirements of **ISO 9001:2008**, **ISO 14001:2004**, **OHSAS 18001:2007** and **IMO ISM Codes**, as well as relevant statutory requirements and international legislation, and that consistently meets or exceeds customer requirements.

Our Plan...

To meet our commitment, Polar Tankers Inc.:

- Will meet customer expectations as defined in charter parties;
- Develop and implement documented and controlled processes;
- Continually improve its management system and operational responsiveness;
- Provides employees with the capabilities, knowledge, and resources necessary to instill personal ownership and motivation to achieve the Quality objectives;
- Establish and pursue reasonable and measurable objectives and performance targets;
- Measures, audits, and reports Quality performance;
- Communicates our commitment to this policy to all employees, both ashore and at sea;

Our Expectations...

Through implementation of this policy, Polar Tankers Inc. seeks to continually improve the overall Quality Management System and will continually assess this Quality Policy to evaluate its suitability and use.
