Supplier shall be responsible for providing suitable protection and packing for Goods to ensure their safe arrival at the delivery address in an undamaged condition. Buyer shall not be obliged to return to Supplier any packaging or packing materials.

5.3. To the extent that any Goods contain toxic, corrosive or other materials hazardous to health or property, a prominently displayed notice to that effect must accompany each delivery of the Goods.

5.4. Title and interest in the Goods and any materials intended to form part of the Goods and the Specifications shall pass from Supplier to Buyer upon the earlier of (i) the date the Goods or any part thereof or the Specifications are paid for by Buyer, (ii) on their proper delivery to Buyer or (iii) as soon as the manufacture or preparation of such Goods, materials or Specifications begins or such materials are allocated to the Purchase Order. If Buyer rejects the Goods pursuant to Clause 3.1 hereof, Supplier shall reimburse Buyer for any amounts that Buyer may have paid for such rejected Goods and title in the rejected Goods shall revert to Supplier.

5.6. The Supplier, at his expense, shall take good care of all Goods and any other material and equipment and Specifications used in the performance of the Purchase Order or intended for incorporation into the Goods, including any supplied by or on behalf of the Buyer. Where appropriate, Supplier shall place the Goods and such Specifications, material and equipment under cover or construct adequate storehouses as necessary for its proper protection and take all reasonable measures to protect against theft, fire and other hazards. Supplier shall store such Goods, Specifications, materials and equipment separately from all other supplies, materials and equipment and shall mark them as being the property of the Buyer.

Buyer shall ensure that a provision to the same effect as Clauses 5.4, 5.5 and 5.6 hereof shall be contained, mutatis mutandis, in all subcontracts relating to the performance of any part of the Purchase Order.

Price

6.1. The Price shall be as stated in the Purchase Order and, unless otherwise so stated, shall be exclusive of any applicable Value Added Tax (which shall be payable by Buyer subject to receipt of a VAT invoice) but inclusive of any charges for packaging, packing, shipping, carriage, insurance and delivery to the delivery address of Buyer stated on the Purchase Order and any duties, imposts or levies as applicable, other than Value Added Tax.

6.2. No increase in the Price (whether on account of increased material, labour or transport costs, fluctuation in rates of exchange or otherwise) or variation may be made to the Purchase Order without the prior written consent of Buyer.

6.3. Buyer shall be entitled to any discount for prompt payment, bulk purchase or volume of purchase customarily granted by Supplier.

Terms of Payment

7.1. Unless otherwise agreed in the Purchase Order, Supplier may invoice Buyer for the Price on or at any time after the delivery and acceptance of the Goods or satisfactory completion of the Services, as the case may be. Each such invoice shall be submitted to the address specified for such purpose in the Purchase Order and shall quote the number of the Purchase Order and include supporting back up documentation. Supplier shall show cash discount terms on all invoices. Terms of payment and discount will be computed from date received in Buyer's

office.

7.2. Payment of such sums as are properly invoiced in accordance with this provision shall be made in full 30 (thirty) days after receipt by Buyer of a correct invoice and shall constitute full and final compensation to Supplier and shall be Supplier's sole basis for remuneration for performance of the Services or supply of the Goods. Payment shall be in the currency identified in the Purchase Order with no allowance for variation due to currency fluctuations. No invoice received by Buyer more than 90 days, or longer where allowed by law, following completion of the delivery of the relevant Goods or completion of the relevant Services shall be eligible for payment unless Buyer at its sole discretion decides otherwise.

7.3. If Buyer disputes any invoice in whole or in part, Buyer shall promptly notify Supplier of the dispute and request a credit note to allow payment of the undisputed portion. Buyer shall withhold payment in respect of that part of the invoice which is disputed, without liability for interest. Buyer and Supplier shall endeavour to settle and adjust any disputed amount forthwith. Buyer may also set-off against the Price any sums owed to Buyer by Supplier whether under this Purchase Order or otherwise.

7.4. No payment made by Buyer shall constitute a waiver by Buyer of any breach by Supplier of any of its obligations to Buyer hereunder or prejudice the rights of Buyer to question or dispute any portion of any invoice, and any payment withheld by Buyer shall be without prejudice to any other rights or remedies of Buyer under contract or at law.

Insurance

8. Supplier shall, at its own cost, effect and maintain during the term of the Purchase Order, all such insurances as may be required by law and general public liability insurance, including contractual liability and sudden and accidental pollution coverage. The general public liability insurance shall have a limit of not less than U.S. \$1 million (or the equivalent in local currency) per occurrence. Supplier's general public liability policy will show Buyer, each of its Affiliates and Coventurers as additional assureds to match the liabilities assumed by Supplier under Clause 10 of this Agreement. Supplier's insurance shall be written or endorsed such that the insurers will have no right of recovery against Buyer Group to the extent of any indemnities granted hereunder by Supplier to Buyer Group. Supplier shall provide evidence of such insurance cover when requested by Buyer. All insurance required above shall be primary to any insurance coverage available to Buyer, each of its Affiliates and Coventurers. The above-stated minimum requirements are not intended to indicate the amounts or types of insurance that Supplier needs or may ultimately need and shall not alter or affect Supplier's liability under the Purchase Order.

Warranties and Liability

9.1. Supplier undertakes and warrants and guarantees to Buyer that:

9.1.7. it will not reproduce or use and will ensure that all members of its Group do not reproduce or use the Specification or data or other information that it receives from Buyer Group or becomes aware of belonging to the Buyer Group, for any purpose unrelated to the Purchase Order without the express written consent of Buyer, and will forthwith upon request at any time and without charge deliver to Buyer any and all such data or information then in its possession;

9.1.8. it will provide all necessary equipment, supplies and suitably skilled and experienced personnel, and supplies to carry out the Services and supply the Goods in a timely and efficient manner;

9.1.9. it will comply with the policies set forth by the government and those of the Buyer related to matters of health, safety, and the environment, corporate ethics, and substance abuse, as amended from time to time, which are available at http://www.conocophillips.no/purchase_orders. Without prejudice to any other remedy, if any Goods and/or Services, in whole or in part, are not supplied in accordance with the Purchase Order, Buyer shall have the right, at its option, to require Supplier to supply replacement Goods or to re-perform the Services forthwith at no cost to Buyer or to treat the Purchase Order as discharged by the breach of Supplier and require the repayment of any part of the Price which has been paid or to engage, at Supplier's cost, a third party to re-perform, replace or repair any part of the Goods and/or Services. The Buyer shall be obliged to notify the Supplier of any such defects in the Goods and/or Services within thirty six months of the date of delivery of the Goods or acceptance of the Services, whichever is applicable.

9.3. Supplier shall defend, indemnify and hold harmless Buyer Group against all liability, loss, damages, costs and expenses (including legal costs and expenses) awarded against or incurred or paid by Buyer Group as a result of or in connection with breach of any warranty given by Supplier and against any fines, costs, or expenses arising from Supplier Group's failure to comply with any applicable laws, rules, or regulations.

9.4. For the avoidance of doubt this Clause 9 shall take precedence over and shall not be prejudiced by the provisions of Clause 10, which Clause is not intended to and shall not be construed as detracting from or relieving the obligations of Supplier set out in this Clause 9.

Termination

11.1. Buyer shall be entitled to cancel the entire Purchase Order, or any part of the Goods or Services, by giving written notice to Supplier, in which event the sole liability of Buyer shall be to pay to Supplier the part of the Price for any Goods and/or Services performed in accordance with the Purchase Order to the effective date of the notice, less the net saving of cost to Supplier arising from cancellation.

11.2. Buyer shall be entitled to cancel the entire Purchase Order, or any part of the Goods or Services, without liability to Supplier, by giving written notice to Supplier at any time if Supplier:

- (i) fails or refuses to supply competent supervision or sufficient, properly skilled workers or proper materials; or
- (ii) does not make proper or timely performance of the Purchase Order; or
- (iii) Supplier goes into liquidation or receivership; or
- (iv) otherwise prejudices or fails to carry out his obligations in accordance with the Purchase Order.

Buyer shall not be liable to pay Supplier any further monies in respect of the Purchase Order and Supplier shall be liable for and shall pay Buyer any costs, expenses or damages incurred by Buyer as a result of termination under Clause 11.2 including the additional cost of having the Goods and/or Services provided by others, if applicable.

11.4. In the event of termination, title to any Goods or materials or equipment intended to form part of the Goods or either procured for the Purchase Order or allocated to the Purchase Order by Supplier and any Specifications and other documents prepared by Supplier in connection with the Purchase Order, prior to and including the date of termination, shall vest in Buyer if not already so vested and Buyer shall be entitled to take and/or retain possession of such Goods, materials or equipment, Specifications and other documents and shall be entitled to enter the Supplier's premises or any place where the Goods, materials, equipment and Specifications are situated

and take possession of the whole or any part of the same. Buyer shall ensure that a provision to this effect shall be contained, mutatis mutandis, in all subcontracts relating to performance of any part of the Purchase Order.

Audit Rights

12. Buyer shall ensure that a provision to this effect shall be contained, mutatis mutandis, in all subcontracts relating to performance of any part of any individual Purchase Order.

Contracts (Rights of Third Parties) Act 1999

13.1. The Contracts (Rights of Third Parties) Act 1999 shall apply only for the purpose of extending the benefit of the indemnities in Clauses 9.1.3, 9.1.11, 9.3 and 10 to the other members of the Supplier Group (other than the Supplier) and the Buyer Group (other than the Buyer) hereinafter "Beneficiary Third Parties" but the rights of such Beneficiary Third Parties shall not prevent the exercise of any right Buyer or Supplier may have to vary and/or terminate the Purchase Order, even if that results in the rights of such Beneficiary Third Parties being varied or extinguished.

13.2. In enforcing any right to which it is entitled by virtue of the Act and the provisions of the Purchase Order, the remedies of the Beneficiary Third Parties shall be limited to damages. A Beneficiary Third Party shall not be entitled to assign any benefit or right conferred on it under the Purchase Order by virtue of the Act.

Force Majeure

14. In the event any party is prevented from performing any of its obligations by Force Majeure, the party's obligations shall be suspended during the period of such Force Majeure. Each party shall bear its own costs due to the Force Majeure occurrence and no compensation shall be owed Supplier for the period of Force Majeure. The party prevented from performing by Force Majeure shall notify the other as soon as possible of its inability to meet its obligations, specifying the cause of the Force Majeure and estimated extent to which the event or condition will impact performance, and shall notify the other party when such impact ceases. If the party claiming Force Majeure fails to give such notice within forty-eight (48) hours of the occurrence of the event or condition, that party may not claim Force Majeure as a defence hereunder. The party claiming a Force Majeure event or condition shall act diligently to remove or remedy such event or condition. When performance of the Purchase Order is halted by reason of Force Majeure, Buyer may terminate the Purchase Order immediately upon written notice to Supplier and Supplier shall only be entitled to compensation earned to time of notice plus any demobilisation fee expressly provided for in the Purchase Order. For the avoidance of doubt, late delivery of services purchased equipment and/or rental equipment caused by Supplier Group or caused by inefficiency on the part of Supplier Group shall not constitute an event of Force Majeure.

Miscellaneous

Supplier shall not assign or purport to assign or transfer to any other person any of its rights or subcontract any of its obligations under this Purchase Order without the prior written consent of Buyer. Said written consent shall not relieve Supplier from any of his responsibilities or obligations to Buyer under this Purchase Order.

15.2. Failure or delay by Buyer in the exercise of any rights or remedies under law or the Purchase Order shall not release Supplier from any warranties or obligations contained or referred to law or in the Purchase Order. Any waiver by either party of a breach of any requirement of the Purchase Order shall not be considered as a waiver of any subsequent breach of the same or any other requirement hereof.

15.3. The Purchase Order shall be governed by and construed in accordance with the laws of England and the parties hereto irrevocably submit to the exclusive jurisdiction of the English Courts.

15.4. The Purchase Order constitutes the entire agreement between Buyer and Supplier with regard to the Goods and/or Services, and supersedes all prior negotiations, representations or agreements relating to the Goods and/or Services, either written or oral. In particular, any terms or conditions that the Supplier may attach or refer to in any written material (including, without limitation, on any invoice or packing note) or any course of dealing between the Supplier and Buyer shall be of no effect. Any purported amendment of the terms, requirements or obligations of the Purchase Order shall be void and of no force unless it is (i) in writing, (ii) signed by duly authorised representatives of the parties and (iii) expressly refers to the specific Clause to be amended.

15.5. Supplier shall be responsible for obtaining clarification of any discrepancies, errors or omissions in the Specification or data or other information that Buyer supplies.

15.9. Supplier shall be an independent contractor and in no event shall Supplier nor any person in Supplier Group be considered employees or agents of Buyer.

15.10. Supplier agrees to and shall ensure that all members of its Group agree to abide by all laws, rules and

regulations applicable to the Purchase Order including without limitation those applicable to exports and re-exports. When required by such laws, rules or regulations, Supplier shall apply for the necessary and appropriate export authorisations. Supplier agrees to indemnify Buyer for any fines, penalties, claims, losses, damages, costs (including legal costs), expenses, and liabilities that may arise as a result of Supplier's breach of this provision.

Export Compliance

16. Without prejudice to Supplier's obligations under any applicable master purchasing agreement or similar arrangement, Supplier agrees to abide by all U.S. and other applicable government export laws and regulations, including, without limitation, those applicable to re-export or the transfer of controlled technology. If a license or other authorization is required by such laws or regulations for any product, service, technology or software obtained under this Purchase Order, Supplier shall apply for the applicable licenses and make copies available to Buyer. Supplier will timely provide to the Buyer the U.S. export compliance classification number (ECCN) of Goods, Services, technology or software provided under this Purchase Order and similar number under applicable export control regulations. Supplier agrees that no Goods or Services provided under this Purchase Order will originate from, or be transported on any vessel owned by or operating under the flag of, any country against which the United States has imposed comprehensive economic sanctions. Supplier agrees to indemnify Buyer for any fines, penalties, claims, losses, damages, costs (including legal costs), expenses, and liabilities that may arise as a result of Supplier's breach of this provision.
