

## Adjust and Continuously Improve

## Identify and Map

Assess priority of environmental and social risks and opportunities important to key stakeholders and us.

## Address Issues

Collaborate on strategies and actions that integrate sustainable development into business practices and decision-making.

## Measure and Monitor

Identify key performance indicators and assess results.

## Enable and Develop

Empower employees and support programs that add value to communities where we operate.

## Communicate and Learn

Build relationships, understand perspectives and transparently provide information about our performance.
