ConocoPhillips is the world’s largest independent exploration and production (E&P) company.

The company explores for, produces, transports and markets crude oil, bitumen, natural gas, natural gas liquids and liquefied natural gas on a worldwide basis. Key focus areas include safely operating producing assets, executing major development projects and exploring for new resources in promising areas.

Included in our portfolio are legacy producing assets in North America, Europe, Asia and Australia; North American tight oil and oil sands; large-scale projects in several nations; and a global exploration program.

As of Dec. 31, 2020, ConocoPhillips was active in 15 countries, with production in nine countries and exploration in 10 countries.
