- 5.2 If Company is not satisfied that the Goods and Services will conform in all respects to the Agreement, Contractor shall forthwith take all steps as are necessary to ensure conformance, including those directed by Company, without prejudice to any other rights of Company.
- 5.3 Failure of Company to inspect, test, or bring to the attention of Contractor any defect or non-conformance of the Goods or Services does not in any way relieve Contractor of its obligations under the Agreement.

## **6 Delivery of Goods**

- 6.1 Contractor shall deliver Goods and any Contractor Group equipment to the address shown in the Agreement on the date or within the period stated in the Agreement, during the usual business hours of Company. A packing note quoting the number of the Agreement, and a description of the items included, must accompany each delivery.

Company is not obliged to return to Contractor any packaging or packing materials.
- 6.3 To the extent that any Goods or Contractor Group equipment contain toxic, corrosive, or other materials hazardous to health or property, a prominently displayed notice to that effect and a safety data sheet must accompany each delivery of Goods and Contractor Group equipment. Such Goods must be approved for use in Company's chemical management system prior to delivery to Company's onshore base for shipment offshore. At Company's request Contractor shall register an application for use of such Goods in Company's electronic application system <https://pcms.proactima.com/Login.aspx?ReturnUrl=%2fEnviRisk%2fdefault.aspx>, at least fourteen (14) Days prior to the scheduled shipping date. Contractor shall clearly mark the Goods, and materials and

equipment intended for incorporation into the Goods, as soon as possible, as the property of Company with Company's name and address, and separate same from Contractor's other stock. If Company rejects the Goods pursuant to Article 3.1, Contractor shall reimburse Company for any amounts that Company may have paid for such rejected Goods, and title to and risk in the rejected Goods will immediately revert to Contractor.

- 6.5 Unless the Parties specifically agree otherwise in writing, risk of loss of or damage to the Goods will pass from Contractor to Company upon acceptance of the Goods by Company at the agreed delivery address. In no event will Company be deemed to have accepted any Goods until Company has had a reasonable time to inspect them following delivery, and acceptance will always be conditional upon no latent defect or nonconformity in the Goods having become apparent to Company.

## **7 Price**

- 7.1 The Price is as stated in the Agreement and, unless stated otherwise, is exclusive of any applicable Value Added Tax (if VAT is not recoverable, VAT will be payable by Company subject to receipt of a VAT invoice). Unless the Parties specifically agree otherwise in writing, the Price is (i) inclusive of any charges for packaging, packing, shipping, carriage, insurance, and delivery to the delivery address of Company stated in the Agreement, and any taxes, duties, imposts, or levies other than Value Added Tax; and (ii) constitute full and final remuneration due to Contractor for all Contractor's costs, expenses, overheads, and profit related to supply of the Goods, performance of the Services, and compliance with the Agreement.
- 7.2 Unless otherwise agreed in writing, and subject to Articles 16 and 21.6, the Price is fixed and firm throughout the term of the Agreement, and no increase in the Price for any reason (including increased material, labour, or transport costs; fluctuation in rates of exchange; or otherwise) or other variation may be made to the Agreement.

## **8 Terms of Payment**

- 8.1 Unless the Parties specifically agree otherwise in writing, Contractor may invoice Company for the Price on or at any time after the delivery of the Goods and acceptance thereof by Company; or satisfactory completion of the Services and acceptance thereof by Company; as the case may be. Each such invoice is to be submitted to the address specified for such purpose in the Agreement and is to quote the number of the Agreement and include supporting documentation. Contractor shall show cash discount terms on all invoices. Terms of payment and discount will be computed from the date a correct and duly substantiated invoice is received at Company's office.
- 8.2 Payment of such sums as are properly invoiced in accordance with this Article 8 will be made in full thirty (30) Days after receipt by Company of a correct invoice and will constitute full and final payment to Contractor and be Contractor's sole basis for remuneration for performance of the Services and/ or supply of the Goods. Invoicing and payment are to be in the currency identified in the Agreement. No invoice received by Company more than ninety (90) Days, or any longer period when mandatory Regulations so require, after completion of the delivery of the relevant Goods or completion of the relevant Services will be eligible for payment unless Company at its sole discretion decides otherwise.
- 8.3 If Company disputes any invoice in whole or in part, Company will promptly notify Contractor in writing of the dispute and request a credit note or a new invoice to allow payment of the undisputed portion. Company and Contractor are to endeavor to settle and adjust any disputed amount forthwith. Company may also set off against the Price any sums owed to Company by Contractor, whether under the Agreement or otherwise.
- 8.4 Any payment made by Company does not constitute a waiver by Company of any breach by Contractor of any of Contractor's obligations to Company under the Agreement or prejudice the rights of Company to question or dispute any portion of any invoice. Any payment withheld by Company will be without prejudice to any other rights or remedies of Company under contract or pursuant to Regulations.
