Dear Mr. Choudhury:

Oliktok Pipeline Company (Oliktok) filed TL48-334 on March 30, 2022, seeking to establish revised rates for natural gas transportation service. On April 21, 2022, the Regulatory Commission of Alaska (Commission) approved Tariff Sheet No. 37 filed March 30, 2022, by Oliktok in TL48-334. The effective date of the tariff sheet is May 1, 2022.

A finding by the Commission that there is not good cause to investigate the revised rate indicates only that after weighing available information against the costs to the public and the utility of an investigation, further proceedings are not in the public interest. This is not a decision on the merits addressing any individual element in Oliktok's revenue requirement study filed with TL48-334.

Enclosed is a validated copy of the approved tariff sheet.

BY DIRECTION OF THE COMMISSION

Sincerely,

REGULATORY COMMISSION OF ALASKA
