Services Agreement Terms and Conditions

ABUE-000-CM-N08-C-00002

These are the terms and conditions referred to in ConocoPhillips Australia's Purchase Orders and Service Orders and which apply to the supply of the Services set out in the Purchase Orders and Service Orders. If any of these terms and conditions are unacceptable to Contractor, Contractor must not commence performance under the Purchase Order or Service Order and must promptly communicate Contractor's issues with the terms and conditions to Company for resolution. If Contractor commences such performance without having notified Company of any such issues, or if Contractor communicates such issues to Company but still commences such performance prior to a written resolution of those issues being reached with Company, then Contractor is deemed to have accepted the Purchase Order or Service Order with all its terms and conditions and without any different terms or conditions proposed by Contractor.

- 5.2. Unless the Contract provides otherwise, Contractor must deliver to Company within the first ten (10) days of each month an invoice covering the Services provided during the previous month. Invoices are to be submitted in the number and form requested by Company, accompanied by such certification and documentation as Company may require.
- 5.3. When Company receives an invoice from Contractor conforming to Article 5.2 (each a **"Conforming Invoice"**), Company will, unless a dispute is raised under Article 5.4, pay the Conforming Invoice within 30 days of receipt thereof.
- 5.4. If Company disputes any Conforming Invoice in whole or in part (each a **"Disputed Invoice"**), Company will notify Contractor of the dispute as soon as reasonably practicable.
- 5.5. When a dispute is raised under Article 5.4, Contractor must issue a credit note (**"Credit Note"**) to Company for the disputed portion of the Disputed Invoice (**"Disputed Portion"**) in the form requested by Company and at the same time, issue a new invoice in respect of the Disputed Portion (**"Disputed Portion Invoice"**) in the form requested by Company.
- 5.6. If a Disputed Invoice has not already been paid by Company prior to a dispute being raised under Article 5.4, then Company will pay the undisputed portion of such Disputed Invoice within 30 days of receipt of both a Credit Note and Disputed Portion Invoice pursuant to Article 5.5.
- 5.7. When a dispute is raised under Article 5.4, Company and Contractor must discuss the dispute in good faith with the aim of determining the amount, if any, that should be paid in respect of the Disputed Portion Invoice (**"Determined Amount"**).
- 5.8. When a Determined Amount is determined in accordance with Article 5.7 or Article 15:
- (a) Contractor must promptly issue a credit note to Company in the form required by Company to the extent that the amount of the Disputed Portion Invoice is in excess of the Determined Amount; and
 - (b) Company will pay such amount of the Disputed Portion Invoice that is equal to the Determined Amount within 30 days of such determination or, if later, of receipt of the credit note (if required) referred to in Article 5.8(a).

Company will then meet with Contractor to discuss Contractor's dissatisfaction in good faith and will thereafter use all reasonable endeavours to address Contractor's concerns to the satisfaction of Contractor.
- 5.10. Company may set off against payments due to Contractor any amounts due to Company from Contractor.
- 5.11. Any payment by Company does not prejudice Company's rights to question or dispute an invoice and require adjustment thereof, or to pursue or recover any Claims against Contractor.

- 5.12. Unless otherwise agreed by the Parties, invoices are to be submitted and payable in the currency stated in the Contract.

6. BUSINESS ETHICS

Contractor must not, and must ensure that each other member of Contractor Group and its and each such member's officers, directors, and personnel does not, offer, pay, arrange for a third party to pay, or agree to pay any payment, gift, or other thing of value of any nature to any officials, employees, or agents of any government; any department, agency, or instrumentality of any government; any political party; any candidate for political office; or any other person, including a legislative, administrative, or judicial office (including any person exercising a public function for a public agency, a public enterprise, or a public international organization) when such payment, gift or other consideration would violate Applicable Laws or the principles set forth in the Convention for Combating Bribery of Foreign Public Officials in International Business Transactions, signed in Paris on December 17, 1997 (and without limitation, must not perform any act which would constitute "bribery of a foreign official" as defined in Article 1(3) of such Convention), the United States Foreign Corrupt Practices Act ("FCPA"), the United Kingdom Bribery Act, or other anti-bribery or anti-corruption legislation applicable to either Party.
- 6.3. Notwithstanding that the FCPA and certain other applicable anti-bribery or anti-corruption legislation may permit, in limited circumstances, payments called "facilitating payments" (i.e., small payments made in order to expedite or secure the performance by a governmental authority of routine actions of a non-discretionary nature, which a person is otherwise entitled by law to receive), Contractor must not, and must ensure that its officers, directors, and personnel, and the other members of Contractor Group and their respective officers, directors, and personnel do not, make any "facilitating payments" in connection with the Services or the Contract.

or any representatives of Company and disclosed to or discovered by Contractor in connection with the Contract, or performance of the Services under the Contract, including any of the following: business plans, forecasts, contracting procedures, maintenance records, procedures, methods and technical information related to proprietary processes or products, cost information, marketing or business-related information, asset details, and strategic plans (collectively "**Confidential Information**").

- 7.3. Information which was lawfully in Contractor's possession without restriction on use or disclosure prior to disclosure thereof by or on behalf of Company Group to Contractor, or which is or becomes part of the public knowledge or literature from a source other than Contractor Group, either directly or indirectly, is not subject to the provisions of this Article 7. Information which becomes lawfully available to Contractor from a source other than Company Group is released from the provisions of this Article 7 to the extent necessary to permit such use and disclosures as are authorized by such source.
- 7.4. Contractor must not, and must require its officers, directors, and personnel and each of the other members of Contractor Group and their officers, directors, and personnel not to, take advantage of any information which it is obliged to treat as confidential under this Article 7 for the purpose of buying, selling, or otherwise dealing with shares or securities of the members of Company Group or for purposes of securing financial gain otherwise than by means of the compensation provided for in the Contract.
- 7.5. Contractor must ensure that no member of Contractor Group releases or allows the release of any information to the press, any news disseminating agency, or communications media, except as required by Applicable Laws, concerning the details of the Services, or the terms of the Contract, without in each instance securing prior Approval, which Company may withhold in its absolute discretion.
- 7.6. Contractor must obtain prior Approval to the text of any publicity that Contractor proposes to issue in connection with the Contract.
- 7.7. If Contractor enters into or has entered into a separate confidentiality agreement with Company which conflicts with the terms of this Article 7 as regards particular Confidential Information, then the terms of such confidentiality agreement take precedence over this Article 7 with respect to the information disclosed under such separate confidentiality agreement.
- 7.8. All documents and all copies thereof furnished by Company to Contractor are Company's property and Contractor must return them to Company upon completion of the Services. All documents (and their copyright) prepared by Contractor in the performance of the Services are the property of Company and must be turned over to Company upon request or completion of the Services.

Should Contractor be prevented from performing under the Contract by reason of legal proceedings based upon such claim of infringement, Company will be relieved of its obligations to make payment for the Services not performed or for items of equipment, machinery, or materials affected by such proceedings.

- 8.2. All payments for royalties, patent rights, copyright, or in respect of any Intellectual Property and all fees due or payable for, or in connection with any matter or thing, used or required to be used in the performance of the Contract or to be supplied under the Contract whether payable in one sum or by instalments or otherwise, will be deemed to have been included by Contractor in the rates and prices payable under the Contract and must be paid by Contractor to those persons to whom they may be due and payable.

9. WORK PRODUCT

- 9.1. Title to, all Intellectual Property rights in, possession of, and free use of all ideas, concepts, techniques, inventions, processes, works of authorship, drawings, documents, calculations, or any other documentation and Intellectual Property produced under the Contract ("**Work Product**") vests exclusively in Company immediately upon commencement of the Contract. Company is entitled to use the Work Product in any way and for any purpose.

To the extent that any Work Product does not vest exclusively in Company by operation of Article 9.1, Contractor hereby assigns to Company at the time of creation of the Work Product, without any requirement of further consideration, any right, title, or interest Contractor may have in such Work Product. Upon request of Company, Contractor must take such further actions, including execution and delivery of declarations, instruments of conveyance, and the like for any applications or registrations for which Company may, at its expense, apply and as may be appropriate to give full and proper effect to such assignments.

- 12.4.4. It is the express intent of the Parties that in the event the application of Articles 12.4.1 and 12.4.2 to prosecutions, fines, penalties, or other actions maintained or imposed by any governmental authority is determined to be void or unenforceable, such provisions and the obligations therein nevertheless apply to all other Claims.

12.6. Insurances

- 12.6.1. The obligations under this Article 12: (i) are independent of and in addition to any other provisions of this Agreement, including the requirements of Article 13; and (ii) are not prejudiced, reduced or limited by any insurance coverage that Contractor is required to maintain pursuant to Article 13, by operation of law or otherwise, or by any insurance that Contractor actually maintains. Additionally, any enforcement or failure to enforce any of the obligations related to insurance does not prejudice, reduce, or limit the obligations contained in this Article 12.

12.7. Subcontracting

- 12.7.1. If Contractor subcontracts any of the Services, such subcontracts are to contain Indemnification and Consequential Loss and waiver of subrogation provisions equivalent to those set forth in this Article 12, elsewhere in this Agreement, and in Article 13, whereby the Subcontractors undertake the same obligations and duties for the benefit of the members of Company Group as does Contractor. With regard to any subcontract not containing such equivalent provisions, the personnel and property of the Subcontractor will be deemed, for purposes of this Article 12 and Article 13, to be the personnel and property of Contractor. Additionally, in the event subcontracts contain Indemnification and waiver of subrogation provisions in favour of or for the benefit of the members of Company Group, Contractor shall take such steps as may be requested by Company to enforce such provisions on behalf of the members of Company Group.

12.8. Proportionate Liability Legislation

- 12.8.1. To the extent permitted by Applicable Laws, the provisions of the Proportionate Liability Legislation are excluded, and will not limit or otherwise affect the operation of the express provisions with respect to the rights, obligations, and liabilities of the Parties under the Contract.

12.9. Wilful Misconduct

- 12.9.1. The Indemnities and exclusions or limitations of liability contained in the Contract do not apply for the benefit of a member of Contractor Group to the extent any Claim is attributable to the Wilful Misconduct of such member or of any of its officers, directors, or personnel.
- 12.9.2. The Indemnities and exclusions or limitations of liability contained in the Contract do not apply for the benefit of a member of Company Group to the extent any Claim is attributable to the Wilful Misconduct of such member or of any of its officers, directors, or personnel.

12.10. Application of Indemnities, Exclusions and Limitations of Liability

- 12.10.1. Contractor's obligations under, and Indemnities in favour of Contractor in, this Article 12 are not intended to and do not reduce, terminate, supersede, or otherwise affect (nor be construed as inconsistent with) Contractor's responsibilities, duties, and obligations pursuant to other provisions of this Agreement.
- 12.10.2. Except as expressly provided otherwise in this Article 12, any Indemnification granted in this Article 12 is to apply and be enforceable:
- (a) with respect to any loss, damage, Personal Injury, pollution, or Consequential Loss which actually or allegedly occurs or is caused during or results from or arises out of the performance of the Services under the Contract (whether directly or indirectly in relation thereto), or which occurs at any place related to the Services where officers, directors, personnel, or property of any of the members of Company Group or of any of the members of Contractor Group are located by reason of the performance of the Contract, including going to or from any Worksite;
 - (b) even if the loss, damage, Personal Injury, pollution, or Consequential Loss that is the subject of such Indemnification actually or allegedly is caused by or results from negligence, breach of duty (statutory or otherwise), breach of contract, or strict liability of the Indemnitee; and
 - (c) regardless of whether a Claim is based upon (i) common law, civil law, maritime law, or statute; (ii) contractual obligations between the Indemnitee and another person; (iii) operation of Applicable Laws requiring the Indemnitee to make a contribution in respect of a Claim by another person; or (iv) any other theory of legal liability.
- 12.10.3. For all purposes including Section 55 of the *Property Law Act 1974* (Qld):
- (a) Company intends to confer a benefit on each of the members of Contractor Group and their respective officers, directors, and personnel in each Indemnity and exclusion or limitation of liability given by Company in favour of the members of Contractor Group in the Contract and Contractor holds the benefit of each of those Indemnities and exclusions or limitations of liability on trust for the benefit of each of the members of Contractor Group and their respective officers, directors, and personnel; and
 - (b) Contractor intends to confer a benefit on each of the members of Company Group and their respective officers, directors, and personnel in each Indemnity and exclusion or limitation of liability given by Contractor in favour of the members of Company Group in the Contract and Company holds the benefit of each of those Indemnities and exclusions or limitations of liability on trust for the benefit of each of the members of Company Group and their respective officers, directors, and personnel.

12.11. Conduct of Claims

- 12.11.1. When a person ("**Indemnified Person**") has the benefit of an Indemnity in respect of any Claim pursuant to the Contract, the Indemnified Person must give written notice to the Party giving the Indemnity ("**Indemnifying Party**") of the nature and, to the extent reasonably known at the time, quantum of the Claim as soon as reasonably practicable after the commencement of the circumstances giving rise to the Claim. Any such Claim is not to be settled without the approval of the Indemnifying Party. After it has been notified of any such Claim, the Indemnifying Party shall assume the defense thereof, at its sole expense.
- 12.11.2. The Indemnified Person must provide reasonable information and documentation relating to such Claim to the Indemnifying Party on a continuing basis.
- 12.11.3. Upon service of a notice by the Indemnified Person, the Indemnifying Party must defend any Claim on behalf of the Indemnified Person and the Indemnified Person must, at the Indemnifying Party's cost, do all things reasonably necessary to assist the Indemnifying Party to defend, settle, or mitigate such Claim. Each applicable member of Company Group has the right, at its discretion, to select or approve the counsel to be engaged by Contractor to defend such member. Without prejudicing its right to the defense obligations set out in this Article 12.11.3, an Indemnified Person may participate, at its own expense, in its defense conducted by the Indemnifying Party.
- 12.11.4. Except when a Claim by an Indemnified Person, or the quantum of any such Claim, is the subject of a bona fide dispute by the Indemnifying Party, the Indemnifying Party must pay the Indemnified Person in respect of the Claim within 30 days of a demand for payment of the Claim.
- 12.11.5. When a Claim by an Indemnified Person is the subject of a bona fide dispute by the Indemnifying Party, the Indemnifying Party must pay to the Indemnified Person the undisputed amount within 30 days of a demand for payment of the Claim and the remainder within 30 days of the resolution of the dispute.
- 12.11.6. An Indemnified Person must do all things reasonably necessary to mitigate any Claim.

12.12. Contractor Group Claims

- 12.12.1. Contractor must inform each of the members of Contractor Group of the Indemnities under the Contract and ensure that each member of Contractor Group does not make any Claim against any of the members of Company Group when Contractor has Indemnified the members of Company Group against such Claim.

12.13. Enforceability of Provisions

- 12.13.1. The Indemnities in the Contract are given to the extent permitted by Applicable Laws, and to the extent that an Indemnity is void, unenforceable, or not permitted under Applicable Laws the relevant Indemnity is to remain in force in accordance with Article 23.8.
- 12.13.2. If any provision contained in this Article 12 in favour of a Party is determined by a court or other authority of competent jurisdiction to be void or unenforceable, in whole or in part, the similar provision in favour of the other Party is to be rendered void or unenforceable or to be adjusted to the same degree.

13. INSURANCE

13.1. Insurance Requirements

13.1.1. Contractor shall maintain insurance of the types and with limits of liability not less than those set out below at its expense during the term of the Contract from insurers reasonably acceptable to Company covering items, risks and operations required to fulfill the Contract:

- (a) Insurance that Contractor is obliged by Applicable Laws to carry that covers all of Contractor's personnel performing work under the Contract, including coverage under applicable maritime law.
- (b) Employer's Liability Insurance, including coverage for marine operations (if applicable), with a limit not less than One Million United States Dollars (US\$ 1,000,000) any one occurrence or the statutory requirement, whichever amount is greater.
- (c) Commercial General Liability Insurance, including contractual liability coverage, with a limit not less than Five Million United States Dollars (US\$ 5,000,000) any one occurrence. Such insurance is to include sudden and accidental pollution liability coverage.
- (d) Automobile Liability Insurance with a combined bodily injury and property damage limit not less than One Million United States Dollars (US\$ 1,000,000) any one occurrence or the statutory requirement, whichever amount is greater, for all vehicles (whether owned, leased, or howsoever otherwise obtained) used in performance of Services.
- (e) If the Contractor provides professional services under the Contract, Professional Indemnity Insurance, including contractual liability coverage, with a limit not less than Five Million United States Dollars (US\$ 5,000,000) any one occurrence.
- (f) If aircraft are used in connection with the Contract, Aircraft Liability Insurance, including Passenger Liability insurance with a combined single limit for bodily injury and property damage not less than Ten Million United States Dollars (US\$10,000,000) (or the equivalent in the Contract Currency) any one occurrence and a limit not less than Three Million United States Dollars (US\$3,000,000) (or the equivalent in the Contract Currency) any one passenger.
- (g) If marine vessels are used in connection with the Contract, Protection and Indemnity insurance equal to the "agreed" value of each vessel or Ten Million United States Dollars (US\$10,000,000) (or the equivalent in the Contract Currency) any one occurrence, whichever is greater. This insurance (when required) must include coverage for the crew. If such insurance contains an "as owner" clause or other language purporting to limit coverage to liability of an insured "as owner of the vessel," such limitation of coverage must not apply to the Company Group in their capacities as additional insureds or protective co-assureds under the policy.
- (h) If marine vessels are used in connection with the Contract, Hull and Machinery Insurance in an amount equal to the "agreed" value of each vessel.
- (i) Such other insurance in the types and amounts required by Applicable Laws.

13.2. Primary Insurance

13.2.1. All insurance coverage required of Contractor pursuant to Article 13.1 will be primary, with regard to the obligations and liabilities assumed by Contractor under the Contract, to any insurance coverage available to any of the members of Company Group. The minimum requirements stated in Article 13.1 are not intended to indicate the amounts and types of insurance that Contractor needs or may ultimately need. Contractor shall be liable for all deductibles in relation to such insurance coverage.

13.3. Waiver of Subrogation and Additional Insured

- 13.3.1. The policies under Articles 13.1.1(c) through 13.1.1(i) are to show Company Group as additional insureds (coverage inclusive of defense costs) to the extent of the risks and liabilities assumed by Contractor (including those with regard to other members of Contractor Group) under the Contract, irrespective of minimum limits and amounts stated for insurance required of Contractor in Article 13.1. Such policies are to contain a provision that any breach by Contractor or any of the other members of Contractor Group of any warranty, covenant, or representation in any of the policies does not prejudice any claim by the additional insureds.
- 13.3.2. All insurance policies obtained by any of the members of Contractor Group in relation to the Contract must contain a waiver of subrogation, when legally permitted, in favour of Company, the other members of Company Group, and Company's and such other members' respective officers, directors and personnel, to the extent of the risks and liabilities assumed by Contractor under the Contract.

13.4. Certificates of Insurance and Policies

- 13.4.1. None of the insurance required of Contractor by this Article 13 is to be materially changed or cancelled without written notice thereof to Company at least thirty (30) days in advance. All coverages must be set out in appropriate policy documents that conform to the requirements of the Contract.
- 13.4.2. Upon request of Company, Contractor shall furnish to Company certificates of insurance demonstrating that Contractor has obtained the insurance coverages set out in Article 13.1 and fulfilled the requirements of Article 13.3. Each certificate is to expressly contain a statement that the notice of material change or cancellation addressed in Article 13.4.1 is to be provided to Contractor; and Contractor shall immediately give the written notice to Company required by Article 13.4.1. Neither Company's review nor its failure to review such certificates constitutes Approval thereof or is to be deemed to waive or diminish Contractor's obligations or Company's rights under the Contract.
- 13.4.3. In the event of an accident or loss having the potential to result in a claim under Contractor's insurance policies that are required by Article 13.3.1 to show Company Group as additional insureds, at Company's request Contractor shall make sufficient policy information available as reasonably required by Company to enable applicable members of Company Group to file a claim against Contractor's applicable policies. This obligation will survive the termination or expiration of the Contract.

13.5. Failure to Comply

- 13.5.1. Neither failure to comply nor full compliance with the insurance provisions of the Contract limits or relieves Contractor from Contractor's liability and Indemnity obligations in the Contract. If Contractor fails or refuses to comply with the obligations prescribed in this Article 13: (i) Contractor shall be liable for and Indemnify Company Group from and against any Claim that would have been covered by the insurance required by Article 13.1 and from costs incurred by Company and any of the other members of Company Group in enforcing such Indemnity; and (ii) Company, without prejudice to any other rights or remedies available to it under any the Contract or at law, may: (a) treat the Contract as having been repudiated by Contractor; or (b) procure the required insurances and deduct the cost thereof from any amounts due under the Contract or otherwise recover such amounts from Contractor.

13.6. Subcontracting

- 13.6.1. Contractor must ensure that each Subcontractor maintains insurance which is required under Applicable Laws, together with other insurance of types and amounts that Contractor may deem necessary.

14. WARRANTY

14.1. Contractor hereby warrants as follows:

- (a) all Services are to be diligently performed with competent and skilled personnel in a professional and workmanlike manner;
- (b) performance of the Contract is to be in full compliance with all Applicable Laws;
- (c) all Services and Goods are to be complete and free of errors, omissions, defects, deficiencies, and discrepancies in materials, workmanship, or other respects relative to, and any other failure of the Services to comply with, the requirements of the Contract; and
- (d) all Services are to be performed in accordance with any particular requirements stipulated in the Contract.

14.2. If any defect in Services or Goods (including any deterioration or damage due to patent or latent defect in any Goods or any part thereof) or other nonconformance with the warranties set out in Article 14.1 is found:

- (a) after commencement and before completion of the Services and Company's acceptance thereof; or
- (b) within the period commencing upon completion and Company's acceptance of the Services and ending twenty-four (24) months thereafter (the "**Warranty Period**");

Contractor will be in breach of warranty and, in order to cure such breach, Contractor must diligently, on an expedited basis, and at its own cost: (i) perform all necessary Services associated with remedying defects or nonconformances in Goods; and (ii) re-perform any such defective or nonconforming Services, including as a precondition for the completion and acceptance of the Services mentioned in Article 14.2(a). In each instance of Contractor so remedying any defective or nonconforming Services or Goods found during the Warranty Period, the portion of the Services so remedied will have a new Warranty Period commencing upon completion and Company's acceptance of the remedied Services and ending twenty-four (24) months thereafter.

14.3. Contractor must commence and diligently proceed with remedying of any defective or nonconforming Services or Goods within five (5) days of receipt of Company's notice of the defects or nonconformances, or such longer period agreed by Company in writing. Should Contractor refuse or fail to do so, Company has the right, on an expedited basis, to carry out the re-performance itself or to have re-performance carried out by others. Contractor is liable for all costs of such re-performance and Company's internal costs; and Company may collect such costs directly from Contractor or by offset against performance security, if any, or by deduction from amounts due to Contractor.

14.4. Notwithstanding the terms of Articles 14.2 and 14.3, if Company determines that it is not feasible or practicable to have the required re-performance or other remedial actions carried out within a reasonable time or at all, Company will have the option to require Contractor to refund to Company amounts reasonably determined as corresponding to the payments made previously by Company to Contractor for the Services or Goods in question.

14.5. Subject to Article 12, Contractor must Indemnify each of the members of Company Group against all Claims or any loss or damage which the members of Company Group may suffer or otherwise incur by reason of Contractor's failure to comply with the provisions of the Contract to the extent that failure to comply arises out of or results from Legal Fault.

14.6. Contractor must not invoice or claim from Company Group any cost or expense that arises out of a delay, default, failure, or fault of any of the members of Contractor Group.

15. DISPUTE RESOLUTION

- 15.1. In respect of any dispute or difference between Buyer and Seller under or in connection with the Contract ("**Dispute**"):

 - (b) If the Dispute is not resolved within fourteen (14) days of the service of a notice of Dispute, the matter will be referred to a senior executive of each Party who has authority to settle the Dispute (each a "**Senior Executive**").
 - (c) If the Senior Executives are not able to resolve the Dispute within thirty (30) days after the expiry of the 14-day period under Article 15.1(b) , then the Senior Executives may agree an alternative dispute resolution method (for example, mediation or expert determination).
 - (d) If the Dispute is not resolved after compliance with the foregoing provisions of this Article 15.1, the Parties may by mutual agreement refer the Dispute to arbitration (in a forum and according to rules both to be mutually agreed) or, in the absence of such agreement, either Party may commence legal proceedings.
- 15.2. Notwithstanding Article 15.1, if the Services have not been completed, at all times Contractor must proceed with expedition to continue to perform the Services and in so doing must comply with all instructions of Company pending resolution of the Dispute.
- 15.3. Notwithstanding the provisions of this Article 15, neither Party is prevented or restrained from applying to a court of competent jurisdiction to seek urgent interlocutory relief. The Parties must comply, as soon as is practicable and in conjunction with the urgent court application, with the procedure set out in Articles 15.1 to 15.2 **Error! Reference source not found..**

Contractor must comply (and must ensure that its officers, directors, and personnel, and the other members of Contractor Group and their respective officers, directors, and personnel comply) with all Applicable Laws relating to control of exports and re-exports, and to sanctions, including those of Australia and the United States. Notwithstanding anything to the contrary in this Article 16, neither Company nor Contractor is required to meet its obligations under the Contract in a way that violates Applicable Laws.
- 16.2. Contractor is responsible for obtaining any authorizations or licenses required under applicable export control regimes in connection with performance of the Contract, including licenses required for the transfer of any regulated technology to nationals of certain countries. Contractor must, always in good time: (i) identify in writing to Company those items, technology, software, or services for which an export authorization is required; and (ii) provide in writing to Company export control classification and licensing information necessary for export documents (e.g., Export Control Classification Numbers (ECCNs)). Contractor must keep records of its export and re-export related activities for a minimum of five (5) years or such period as required by Applicable Laws, whichever is greater, and shall make those records available to Company upon request.
- 16.3. In connection with the Contract and the Services, Contractor must not, and must require that the other members of Contractor Group do not:
- (a) hire, charter, or contract or subcontract with, any person that is listed on any Australian or United States or other applicable government list of prohibited or denied parties or organized under the laws of, operating under the flag of, performing services in, or resident in, any country against which Australia or the United States or other applicable government has imposed comprehensive economic sanctions; or

- (b) obtain any items, technology, software or services originating from any country against which Australia or the United States or other applicable government has imposed comprehensive import sanctions or restrictions.

- 16.4. - 16.5. Contractor must Indemnify each of the members of Company Group from and against any and all Claims that may arise as a result of any actual or alleged acts or omissions of any of the members of Contractor Group or of any of their respective officers, directors, or personnel not conforming to the requirements of this Article 16.
- 16.6. Company confirms that no Goods, technology, software, or other items received from Contractor are intended to be shipped, either directly or indirectly, to any country or person, or for any end- use, that is prohibited under Applicable Laws relating to export control. Company must Indemnify each of the members of Contractor Group from and against any and all Claims that may arise as a result of any actual or alleged breach by Company or by any of Company's officers, directors, personnel, or agents of Applicable Laws pertaining to export control.

17. TERMINATION

- 17.1. Company is entitled to terminate the Contract or the Services or any part thereof by written notice to Contractor if:
 - (a) Contractor fails to comply with any essential condition of this Contract (and Contractor acknowledges that, without limitation, Articles 6 and 13 are essential conditions); or
 - (b) Contractor materially fails to comply with any other term, condition, or warranty in the Contract and either:
 - i) it is not possible to remedy such non-compliance; or
 - ii) Contractor has not remedied such non-compliance within any reasonable period allowed by Company for such remedy and in any event within ten (10) days of written notice from Company; or
 - iii) if Article 14.2 applies, Contractor has not remedied such non-compliance as required by Article 14.
- 17.2. Contractor is entitled to terminate the Contract by written notice to Company if Company materially fails to comply with any term, condition or warranty in the Contract and either:
 - (a) it is not possible to remedy such non-compliance; or
 - (b) Company has not remedied such non-compliance within any reasonable period allowed by Contractor for such remedy and in any event within ten (10) days of written notice from Contractor; provided that the Contractor may not issue such a notice or terminate the Contract for any default in respect of payment of invoices unless the Contractor has first complied with clause 5.
- 17.3. In the event of termination pursuant to Article 17.1, Contractor is liable for extra costs reasonably incurred by Company as a result of such termination, to the extent that Company, using reasonable endeavours, is unable to avoid or mitigate such costs. Company will be entitled to offset such extra costs against any amounts otherwise due from Company to Contractor for Services duly performed prior to the termination.
- 17.4. In addition to its rights under Article 17.1, Company may, acting reasonably and in order to protect its legitimate interests, and whether or not Contractor is in default, at any time terminate by written notice

the whole or any part of the Services or the Contract without liability to Contractor save (i) to pay for that part of the Services duly performed by Contractor up to the date of termination; and (ii) to reimburse Contractor for any substantiated costs suffered by Contractor as a direct result of such termination to the extent that Contractor, using reasonable endeavours, is unable to avoid or mitigate such costs. Contractor acknowledges that the provision of the Services is a competitive business and that Company may terminate the Contract under this Article without considering the impact of such termination on Contractor. Without prejudice to any other rights of Company, Company may, following termination of the Contract, the Services, or any part thereof (including pursuant to this Article 17), perform the Services itself or procure a third party to perform the Services for reward in the place of Contractor.

18. SURVIVAL OF OBLIGATIONS

- 18.1. The provisions in respect of confidentiality, insurance, audit rights, taxes and duties, dispute resolution, intellectual property, indemnities, and governing law contained in the Contract are to survive the termination, expiration, or completion of the Contract.

19. SUSPENSION

- 19.1. Contractor must not suspend the whole or any part of the Services without a written direction from Company. In particular, Contractor must not cease or suspend or threaten to cease or suspend the whole or any part of the Services for convenience or on the basis that it is not making sufficient profit under the Contract or that it can make more profit working elsewhere. Contractor must ensure that each member of Contractor Group complies with this Article and Contractor must Indemnify the members of Company Group against any Claim which arises from breach of this Article 19.1 by any of the members of Contractor Group.
- 19.2. Company may, acting reasonably and in order to protect its legitimate interests, direct Contractor to suspend the whole or any part of the Services for such reasonable time and on reasonable conditions. If Contractor disagrees with the time or conditions directed by Company, Contractor may raise a Dispute under clause 15.

20. COMPANY AS AGENT

- (a) Contractor must nevertheless deal only with Company in relation to the Contract;
 - (b) Contractor acknowledges that, in the event Company enters into the Contract in its capacity as agent on behalf of Coventurers, the interests of the Coventurers may change from time to time without notice to Contractor;
 - (c) the rights and remedies under the Contract may be exercised by Company for itself and for and on behalf of any Disclosed Principals or any Coventurers;
 - (d) Contractor's duties and obligations under the Contract are deemed to take effect for the benefit of Company and each of the Coventurers or any Disclosed Principal, and Company is authorized to enforce those duties and obligations on its own and the Coventurers' or any Disclosed Principal's behalf; and
 - (e) Contractor may only enforce its rights and remedies in and under the Contract against Company

as agent severally for each of the Coventurers or any Disclosed Principal.

- 20.2. Contractor must not without prior Approval communicate in any way directly or indirectly with any Disclosed Principal or Coventurer or any governmental or semi-governmental authority or body in respect of any matter or thing relating directly or indirectly to the Contract (except to the extent required by any Applicable Laws).

21. GOVERNING LAW

- 21.1. The Contract is governed by the laws of Queensland.
- 21.2. Each Party irrevocably submits to the exclusive jurisdiction of the courts of Queensland.
- 21.3. Each Party irrevocably waives any objection to the venue of any legal process on the basis that the process has been brought in an inconvenient forum.

22. NOTICES

- 22.1. A notice or other communication under the Contract must be in writing and delivered by hand or sent by pre-paid registered post to a Party at the address for that Party specified in the Purchase Order or as otherwise specified by a Party by notice.
- 22.2. Email or similar electronic means of communication must not be used to give notices under the Contract unless and to the extent the Parties have agreed on, and duly conformed to, a protocol making certain notices by email permissible. Emails are not to be used, however, to modify any terms of the Contract.
- 22.3. Subject to Article 22.4, a notice sent by post is regarded as given and received on the date of delivery.
- 22.4. A notice delivered or received (i) other than on a day on which banks are open for general banking business in Brisbane, Queensland ("Business Day") or (ii) after 4.00pm (recipient's time) is regarded as received at 9.00am (recipient's time) on the following Business Day; and a notice delivered or received before 9.00am (recipient's time) is regarded as received at 9.00am (recipient's time).

23. GENERAL

- 23.1. The Contract comprises the entire agreement of the Parties and supersedes all previous communications, representations, and agreements with respect to the subject matter of the Contract, except to the extent that Company relies on representations made by Contractor as to Contractor's ability to perform the Services, the costs of performing the Services, and the way in which Contractor is to perform the Services.
- 23.2. Any purported amendment of the Contract will be void and of no force unless it (i) is in writing; (ii) is signed by duly authorized representatives of Company and Contractor; (iii) expressly refers to the specific provision to be amended; and (iv) expressly indicates agreement of Company and Contractor to amend such specific provision.
- 23.3. The Contract is personal to Contractor and Contractor may not assign or purport to assign or transfer or subcontract to any other party any of its rights or any of its obligations under the Contract without prior Approval. Approval may be withheld in the absolute discretion of Company or given subject to certain conditions. Approval does not relieve Contractor from responsibility for performance of the assigned or subcontracted Services or any of its other obligations under the Contract. Reasonable utilization by Contractor of personnel engaged directly by any of the members of Contractor Group or engaged by any of

the members of Contractor Group through a personnel services agreement or similar arrangement for casual or ad hoc labour is not considered as subcontracting that requires Approval.

- 23.4. Company, any Disclosed Principal and any Coventurers may assign their interests under the Contract without the consent of Contractor, and Contractor must execute any documentation required to give effect to such assignment when directed to do so.
- 23.5. Contractor is an independent contractor and in no event is any member of Contractor Group to be considered an employee or agent of any of the members of Company Group, and Contractor must Indemnify the members of Company Group against any such Claim from any of the members of Contractor Group.
- 23.6. Any waiver by either Party of a breach of any term of the Contract (i) will not be valid unless set forth in writing and executed by a duly authorized representative of the Party; and (ii) is not to be construed as a waiver of any subsequent breach of the Contract.
- 23.7. Contractor must protect and Indemnify the members of Company Group from all liens and other encumbrances against property of the members of Company Group on account of debts or Claims alleged to be due from any member of Contractor Group to any person, including Subcontractors. Contractor must defend at its own expense, on behalf of the members of Company Group and in their names, any Claim or litigation in connection therewith.
- 23.8. If any provision of the Contract is invalid, illegal, or unenforceable in any respect in any jurisdiction then in that jurisdiction the provision remains enforceable to the extent that it is not invalid, illegal, or unenforceable, whether it is in severable terms or not, unless enforcement of the provision in accordance with this Article would materially affect the nature or effect of the Party's obligations under the Contract.
- 23.9. If any one or more of the provisions of the Contract is invalid, illegal, or unenforceable in any respect, the validity, legality, and enforceability of the remaining provisions of the Contract are not affected or impaired thereby in any way unless incapable of being operable in the absence of such provisions.
- 23.10. Contractor expressly acknowledges and warrants that Company entered into the Contract in reliance upon the skill and judgment of Contractor as an experienced and safe designer, manufacturer, fabricator, supplier, transporter, installer, erector, constructor, tester, repairer, and commissioner (to the extent that the Services include those activities) of work similar in size, nature, and standard to the Services and Contractor's ability to carry out the Services in accordance with its tender or quotation.
- 23.11. The Contract may be executed in counterparts and will be deemed fully executed once both Parties have executed a counterpart. For the purposes of assembling the counterparts into one document, Company is authorized to detach the signed signature page from one or more counterparts and attach each of these to one single counterpart.
- 23.12. Should Contractor comprise two or more persons, each of them is jointly and severally liable for due fulfillment all of Contractor's duties, obligations, and responsibilities under the Contract.
