Welcome to the University Relations Monthly Newsletters!

January 2022

2022 New Hires & Interns – University Relations looks forward to welcoming you to ConocoPhillips! We are committed to making sure your transition from student life to working at ConocoPhillips is as seamless and enjoyable as possible. University Relations will use this monthly communication to keep you updated regarding everything you need to know before your first day.

What's Next

- **Visit** our [University Resource Center](#) for information and FAQs, including housing and roommate opportunities.
- **Join** our virtual “Getting Ready for Your First Day” Webinar on **February 22** to meet the University Relations team, learn about pre-arrival activities, and ask questions regarding your first day at ConocoPhillips. A Teams Meeting invite will be sent separately.
- **Update** your contact information on your [Careers.ConocoPhillips.com](#) profile to ensure you receive all information.

SPiRiT Value Spotlight: Innovation Zone

The second “I” in our SPiRiT Values represents Innovation. The innovation that drives success at ConocoPhillips comes from the brains of many very smart human beings. ConocoPhillips created the Innovation Zone at the World Petroleum Congress to give innovators a place to share their ideas. View the [SpiritNow Feature Story](#) to see how ConocoPhillips is opening an innovation treasure trove.
